

Nutter Butters – or Easy Cracker Cookies

From Maryanne

40 (or more) Waverly Crackers – Lay side by side on cookie sheet

Bring to a boil in saucepan:

1 stick butter

$\frac{3}{4}$ stick oleo

Add: $\frac{1}{2}$ cup sugar – boil two minutes

Mix in $\frac{1}{2}$ cup to 1 cup chopped nuts. Pour over crackers.

Bake at 350° for 10 to 12 minutes. Watch carefully!

Remove immediately to rack and let cool.

Notes: I use many more than 40 crackers – I just fill out the cookie sheet.

Make sure to use a fairly heavy saucepan. Watch them carefully as they burn easily. I set the timer for ten minutes and check them often.

They freeze very well. Enjoy...
